Section 1. NOMINATION TIMELINE

The timeline for submission of nominations will be formalized as follows (timeline based on ceremony date; C = Ceremony day):

- a. C-240: Information packets containing a copy of the RHOF bylaws, the official format for submission of a nomination packet, and instructions for submission of nominations will be sent to the President of each of the Ranger Associations, Major Commands, and Army Combatant Commanders, and others as requested. See Appendix 1.

- c. C-130: The board recorder will send a copy of the nomination packets to the RHOF Executive Board members. The Ranger Training Brigade will send a copy of the cost analysis to each of the Executive Board members.
- d. C-100: The RHOF Executive Board will convene at Fort Benning GA, review nominations, and select inductees IAW the RHOF bylaws.

NOTE: In accordance with Section Three of this article (see below), any Executive Board member unable to attend must ensure his absentee ballot is received by the board recorder NLT the date specified for the RHOF executive committee to convene. Only the

board recorder and the president are authorized to see absentee ballots in order to tally the votes.

If a board member from the RTB or the 75th Ranger Regiment is unable to attend the Honorary Colonel or CSM from that organization can attend and vote for the absentee member. Prior to voting, each Association President or Designated Representative will pay all dues that are owed to the National Ranger Association, Inc., for that year's Ranger Hall of Fame.

- e. C-90: Upon completion, the board recorder will notify each inductee, or designated next of kin, of his selection both verbally and in writing. In addition, each nominating party will be likewise informed and given a copy of the minutes from the RHOF Executive Board meetings.
- f. C-60: If required, nominating party will provide the name of the person designated to receive the RHOF medallion at the induction ceremony should the inductee be unable to do so. - g. Prior to the RHOF Ceremony: The RTB will conduct an information briefing and full dress rehearsal of the induction ceremony for inductees.

The timeline may be shortened or expanded by the Executive Board President, based on the needs of any specific year, but the time from the mailing of RHOF Nomination criteria to associations and MACOMs to the time of Executive Board selection will never be less than four months.

Section 2. ABSENTEE BALLOT

In the event a board member is unable to attend the selection meeting, he will contact the board recorder, to receive an absentee ballot. The absentee will fill out the absentee ballot and return it no later than the day that the Executive Board convenes. Only the board recorder and the President will view the absentee ballot to tally the votes. If a board member from the RTB or the 75th Ranger Regiment is unable to attend the Honorary Colonel or CSM from that organization, or any member of the unit's command group, or OPS SGM may attend and vote in their place.

Section 3. NOMINATION QUOTAS AND LIMITS

Each Ranger association and U.S. Army MACOM may submit a maximum of three (3) nominations per year. Members of the Ranger Hall of Fame may submit one (1) nomination per year. The President will convene a subcommittee to review nominees submitted by individual members of the Ranger Hall of Fame and narrow the total nominees to five (5) if the packets received exceeds that number.

Up to fifteen (15) nominations per RHOF year may be selected for entrance into the Hall of Fame, including Emergency Induction, but not including Honorary Inductions; there is no minimum number of nominations that must be inducted per year. Honorary nominations will not count against the three (3) nominations for each association and MACOM. In the event of a tie, the President will make the deciding vote.

If a nomination packet arrives from a Joint Command (see Appendix 1), the packet will be counted against total numbers of the Major Army Command

The nomination of a Medal of Honor recipient who meets the eligibility criteria for induction is not counted as one of the (3) three nominations allowed per year per unit/association and is not counted as part of the 15 RHOF Candidates that may be inducted yearly.

Section 4. VOTING PROCEDURES

Voting will be done by secret ballot using a numbered score for each candidate. Each voting member of the committee will place a numerical score on his ballot for each candidate. The scale will be 0 through 5, (0 being the lowest score and 5 the highest). Once voting is complete, the board recorder will tally the score for each candidate and place candidates on an order of merit list (OML) beginning with the candidate who achieved the highest total score and ending with the candidate who achieved the lowest total score. All candidates must meet the following criteria to be inducted:

Regardless of where a candidate is placed on the OML, the minimum total score required for induction is 30 points or higher. This is to maintain the prestige of the RHOF. The minimum score of 30 points is based on the mathematical average score derived from the total possible score that could be received from ten committee members. For example: if all ten members scored the candidate a "3" then his score would equal 30 points. Therefore any combination of votes totaling a score of 30 would be equivalent to the absolute average.

Any voting member that gives a candidate a "0" will have to orally justify to the Board their reason prior to or after the voting is completed.

All Medal of Honor Winners are inducted into the Ranger Hall of Fame with a simple majority - YES/NO vote.

Section 5. CONCLUSION OF BOARD

The board recorder will prepare a memorandum for record detailing the proceedings of the selection process and forward it to the RTB S5 for inclusion in the historical folder for that years RHOF induction ceremony. The memorandum will include the following items attached:
